Pueblo of Nambe

Community Farming Project
NAMBE PUEBLO 1899
In 1952, the federal government initiated the Urban Indian Relocation Program.

Over the years, it’s estimated that as many as 750,000 Native Americans migrated to the cities between 1950 and 1980.
FIELDS THAT WERE ONCE PLANTED WERE NEGLECTED AND OVERGROWN WITH WEEDS AND INVASIVE SPECIES OF TREES
