

## REQUESTS FOR PROPOSALS

First Nations' Grantmaking Program is dependent upon the generosity of our partners. Schedules for grant opportunities vary from year to year. Below is a list of our 2019 grant cycle to provide an idea of the types of funding opportunities offered and the general timelines for submission and notification.

Please check [First Nations' Grantmaking Page](#) regularly to view updated grant opportunities or [click here](#) to sign up for announcements.

*\*Grant opportunities where a large applicant response (100+ applications) is anticipated may involve a two-stage application process. In such cases, applicants will be required to submit a brief stage 1 proposal via the online application system. Organizations with approved stage 1 applications will then be invited to submit a full proposal, also via the online application system. An invitation to submit a full proposal is not a guarantee of funding.*
