Application Support

USFS Community Forest Program

November 7th, 2023
WEBINAR MANAGEMENT

All attendees will be muted throughout this webinar. To unmute click on the mute button.

You can turn video off and on using the video button.

If you have questions, please enter them in the question box or raise your hand using the reactions button.
We believe that the traditional cultures, values, and practices of Native communities represent the path toward a more sustainable, prosperous, and just world.
Stewarding Native Lands

ENVIRONMENTAL SOVEREIGNTY & JUSTICE
Protecting communities, land, and natural resources from harmful practices, projects, and policies.

ECOLOGICAL STEWARDSHIP
Management and restoration of resources for our communities and future generations.

CLIMATE
Social, economic, and environmental changes that address ongoing and anticipated impacts of climate change.

COMMUNITY PATHWAYS
Upholding traditions and knowledge.
Our Strategies

- Direct Financial Support through Grantmaking
- Technical Assistance & Training
- Convenings & Webinars
- Research on Best Practices & Models
- Coalition Building & Fellowships
- Advocacy
