

Gunalchéesh

THANK YOU

We value your support and we are truly grateful for your partnership.

The mission of First Nations Development is advanced every year through the commitment, support, and dedication of individuals, foundations, corporations, and organizations. We value their generosity and contributions, and all they do to ensure the lifeways and ingenuity of Native communities will continue to prevail.

**In this special supplement,
we acknowledge and celebrate our many supporters.**

First Nations received several donation and grants in 2023 from supporters who chose to remain anonymous. We thank, them here for their generosity and dedication to our mission.
